CLASS / YEAR GROUP: OWLS: Year 6 Class 	 Worlebury St. Paul's Church School A Bath & Wells Academy	OWLS CLASS TEAM			
		CLASS TEACHER	PPA/COVER TEACHER	TEACHING ASSISTANT	TEACHING ASSISTANT
		 Mrs. N. Gifford	 Mrs. E. Gould	 Mrs. J. Jones	 Mrs. R. Knowles
Terms 1 and 2: How Did WWII Change Britain?		Terms 3 and 4: <i>Change...for Life!</i>		Terms 5 and 6: <i>Heroes, Myths & Legacy</i>	
 START OF THE DAY / END OF THE DAY: The school day starts at 8.45am which is when the register is taken. Children are welcome into the classroom from 8.35am. Children should come in independently and ready to learn. Please use Class Dojo messages to communicate with the Y6 team or pop into the classroom at the end of the day. Urgent/important messages during the school day should be sent to the school office. Your child will also need to either bring a bottle full of fresh water each day or re-fill the one that they keep in class. Fruit or an alternative healthy snack can be brought in by your child for their mid-morning snack. Children are allowed to bring in slippers to wear in the classroom if they wish. Please also bring outdoor 'muddy' footwear to use on the school field. The school day finishes at 3.15pm. Please either collect your child from the playground doors or complete the form giving them permission to walk home on their own.		 HOW WE LEARN: We are a 'Learning Without Limits' school and believe that there are truly no limits to what every child can do with hard work, courage, trust and belief. During the school day, children will have the choice to learn in a variety of different ways and will be guided to challenge themselves through carefully planned activities.		 READING: Your child will be taught reading skills every week in school during either a group or whole class 'Guided Reading' session. They will also read in different curriculum subjects for a variety of reasons and have the opportunity for quiet individual reading time. Children really do benefit from reading out aloud to you at home at least five times a week and also from independent reading sessions. Please use Reading Records to record reading at home in.   MATHS Vital to your child's understanding of maths will be a clear knowledge of number bonds and times tables. By Upper KS2 they really should know their times tables inside, outside and back to front, up to 12x12. To help them, we will have regular times tables challenge quizzes. Part of their homework will be to learn or improve their times tables in order to recall them consistently and at speed.	
 P.E. Children need to have the correct kit to take part. All children should wear their PE Kit on the days that they have PE. No jewellery is to be worn and long hair must be tied back. For outdoor games, please make sure that your child has tracksuit bottoms and either a navy blue sweatshirt or school 'hoody' to wear. We plan to do PE on a Thursday and Friday although this is flexible. A Dojo message will be sent if there is a change of day. Our Forest School is planned for Term 1 and will be on a Friday afternoon. Swimming for Y6 children who need to continue lessons is planned for Term 6.		 LEARNING AT HOME: Children learn all the time and they learn best when there is a clear partnership between the school and home. Owls Class will be expected to complete weekly homework (reading x5, TTRockstars 20mins and Spelling Shed games x5) as well as complete a set learning task during the term to bring to lessons. In addition to this, there will be optional project home learning. Your child will bring home a grid of activities to do linked with the term's project; they can do as many or little as they like and take a photo to upload to Dojo or bring in their work to share with the class.		 MESSAGES: Letters are sent home via Arbor, posted on Dojo or handed out in class so please remind your child to give them to you. Notices and information about weekly events are posted on Class Dojo or sent via Arbor/email. Class Dojo will also be used to share your child's learning and events that happen during the school day. The school newsletter will detail upcoming events for the term – this will also be available on Class Dojo.
